TERROX
1000

ERGONOMIC DESIGN

- 120 mm High-Density Foam Seat
Long-ride comfort with heat-dissipating design.
- Heated Seat & Heated Grips (Optional)
Stay comfortable in cold and wet conditions.
- Raised Handlebar & Optimized Parking Lever
Easy operation with reduced fatigue.
- Quick-Access Maintenance Panels
Tool-free service for fast inspection and upkeep.
- Dual Storage Compartments
Keep essentials protected from dust and water.

WORK CAPABILITY

- 800 kg Towing Capacity
Haul heavy trailers and equipment with confidence.
- 135 kg Rack Capacity (45 Front / 90 Rear)
Versatile cargo solutions for tools and supplies.
- X-Connect System
Fast, secure attachment for work gear.

PROVEN HEAVY-DUTY HEART

- 90 hp / 85 Nm · Full-RPM Boost
Delivers outstanding acceleration and consistent towing strength across all terrains.
- Bosch EFI
Ensures precise fuel delivery and reliable performance under heavy workloads.
- Three Modes: Sport · Normal · Work
Adapt power output instantly to match riding style and task requirements.
- Endurance-Tested with 4,000 km Continuous Full Load Operation
Proven under extreme conditions to guarantee long-term durability and reliability.

OFF-ROAD INTELLIGENCE

- 8-inch MMI Display
High-resolution visuals with 3D driving animations.
- CarPlay & MotoPlay + OTA
Seamless navigation, entertainment, and upgrades.

ULTRA-RUGGED CHASSIS

- High-Strength 520 MPa Frame
Delivers maximum rigidity and long-term durability under heavy load.
- Thicker Main Frame with Front Sway Bar
Enhances stability and rider confidence across challenging terrain.
- 312 mm Ground Clearance · 80° Approach Angle
Clears obstacles with ease, offering best-in-class off-road capability.
- Suspension Travel: 230 mm Front / 236 mm Rear
Maximizes traction and stability across rugged, uneven surfaces.
- 6.7 m Turning Diameter
Provides agile maneuverability, even in tight working environments.
